Dear Saad,

This letter is to inform you as my internship tenure is ended, this is my official resignation from TPLEX. My final day as a .NET internee with development team of TPLEX will be tomorrow i.e., 30th of April 2021.

It has been a pleasure working with TPLEX. I appreciate the time and commitment the company has shown me in helping to develop my .NET experience and skills. Moreover I feel much honored to have Waqas as my team lead who continuously help and motivate me in this tenure.

I hope during this period I prove myself as your worthy decision.

Sincerely,
Haniya Younus.
